

Part III

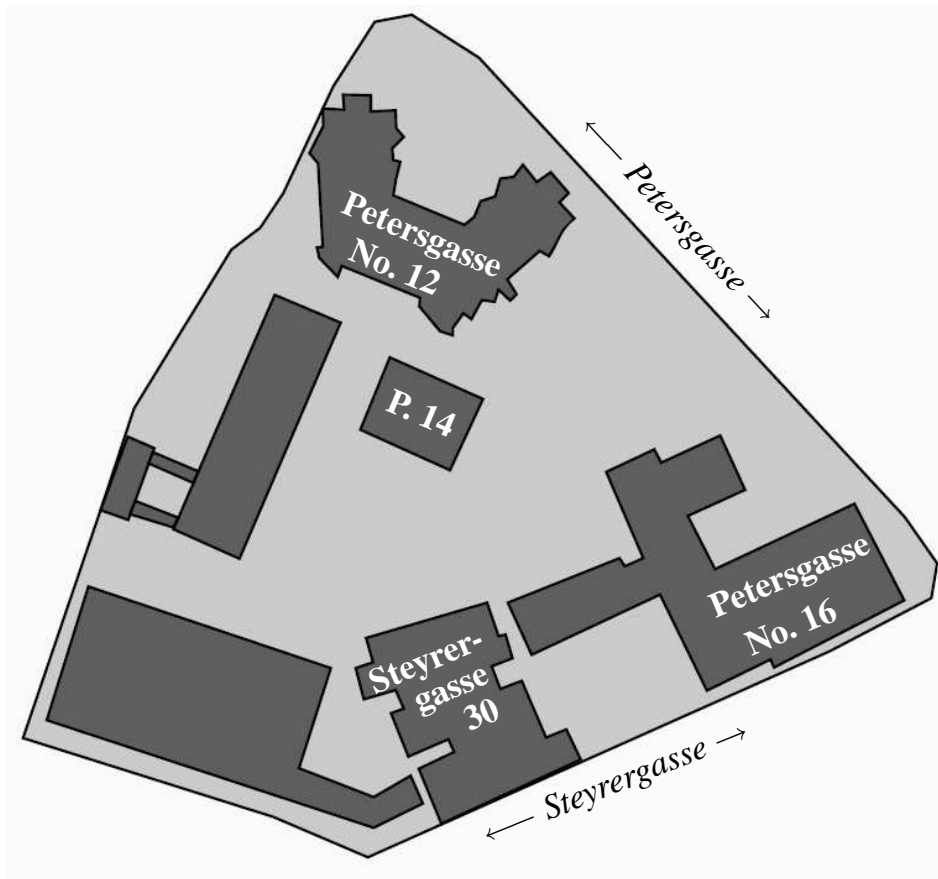

Local Information

TU Graz is spread over three areas which are called 'Campus Alte Technik', 'Campus Neue Technik', and 'Inffeldgründe'. The conference is located at 'Neue Technik', which is not far from the old town. The address of the main conference venue is Petersgasse 16.

Overview of the conference venue

The conference venue is 'Campus Neue Technik', with lecture rooms to be found in the physics, mathematics, and biochemistry buildings. The opening and invited presentations take place in the big lecture hall 'P1' in the physics building (Petersgasse 16, first floor). Book exhibition and coffee break will also be there. The 10 minutes break after each presentation should be sufficient to change from one session to another.

Floor plans

The location of the different lecture rooms can be found on the following floor plans.
