

# CURRICULUM VITAE

CHRISTOPH AISTLEITNER

---

## Personal information

Name	Christoph Aistleitner
Date of birth	25. February 1982
Place of birth	Linz / Austria
Citizenship	Austrian

Father of four children

---

## Research areas

Analytic and metric number theory  
Diophantine approximation  
Monte Carlo and Quasi-Monte Carlo methods  
Probability theory, empirical processes, martingales  
Convergence of Fourier and other function series  
Information-based complexity  
Pseudorandomness

---

## Education

2001 - 2006	Studies of Technical Mathematics at TU Wien. Diploma thesis on “Normal Numbers”.
2006 - 2008	PhD studies of Mathematics at TU Graz. PhD thesis on “Investigations in Metric Discrepancy Theory”. Supervisor: István Berkes.
2009 - 2012	PostDoc Researcher in Graz, Leoben, Budapest, Oberwolfach, Bonn.
2012 - 2015	Schrödinger scholarship of the Austrian Science Fund FWF: First year: University of New South Wales, Sydney, Australia.

Second year: University Kobe, Japan.

Third year (return phase): Universität Linz, Austria.

2016 - 2020

Assistant Professor / Associate Professor (tenure-track position) at TU Graz.

Since 2020

University Professor at TU Graz.
